PIC Meetings is a subcontracting forum to reinforce the industrial cooperation in Pyrenean region.

Pyrenean region hosts many high value added industries, including aeronautics, space science, electronics, biotechnology, nanotechnology, information and communication technology, health and agro-industry.

The objective is to strengthen, support and develop the relationship between manufacturers and suppliers by connecting them through pre-planned one-to-one meetings.

EVENT FORMAT & PROGRAM

- ▲ One-to-One Meetings
- ▲ Workshops
